Steps to take if you have tested positive for COVID-19:

These steps are specific to the Greentree Medical Center/Highfield Care, but can be applied to other centers. They also will test you for Covid -19 or retest you before infusion.

1. Schedule an appointment online
(<https://greentreemedicalcentercovidtest.setmore.com/>)
2. At the Greentree Medical Center, park in the back of the building and put your flashers on
3. They will come to your car and escort you in
4. The staff will test/retest you for COVID-19
5. Infusion takes 20-30 minutes
